

AIR CONDITIONING REBATE APPLICATION

\$100

REBATE

Washington Electric Co-op offers a \$100 rebate on whole-house air conditioning units that are in good working condition and have been installed for less than 10 years.

In order to qualify for this rebate, you must permit the Cooperative to install a radio-controlled switch on your air conditioning unit. These devices help the cooperative control peak energy demands and are installed at no cost to you.

In addition to the rebate, you will receive a \$3 monthly credit on your electric bill.

Mail application and Air Conditioner Agreement form to:

**Member Services Dept.
Washington Electric Co-op
P.O. Box 800
Marietta, OH 45750**
