### Additional Requirements

In order to qualify for this rebate, you must permit the Cooperative to install a radio-controlled switch on your water heater unit. These devices help the cooperative control peak energy demands and are installed at no cost to you.

I understand this requirement and will allow the co-op to install a radio-controlled switch on my water heater in order to qualify for the rebate. \_\_\_\_\_ (Please Initial)

**In addition to the rebate, you will receive a \$2 monthly credit on your electric bill.**
